*A beautiful portrait is an investment. Many of our most treasured memories are tied to a visual remembrance of that time in history. I seek to capture those memories so they can be enjoyed for generations to come.*

PORTRAIT SESSION: \$150 for weekdays and \$200 for weekends

The session fee is \$150 for weekdays and \$200 for weekends. My portrait work is on-location and is usually completed within a 1-2 hour time frame. Prior to the shoot, we'll have a short consultation to discuss details such as time, location, and clothing.

Within seven business days, images from your shoot will be made viewable in a password-protected on-line gallery from which prints may be ordered. This gallery will be available for 30 days. I will also (upon request) create an on-line slide show featuring the best images from the shoot.

*Note: The session is limited to a group of five or fewer. There is a \$25 fee per additional individual. If you'll need more than 2 hours for your shoot, please contact me for a custom quote.*

## WHAT ABOUT THE DIGITAL FILES?

An archival quality DVD containing all your final full resolution images may be purchased for \$400. Full print rights are included. Additional copies of the DVD for friends and family can be purchased for \$40 each. Each disc comes nicely stored in a metal tin.

## PRINTS

I only offer the best in print quality. Professional prints may be purchased at anytime from your on-line, password-protected gallery. This gallery will be made available for 30 days.

If you'd like to purchase prints, please email me to request full pricing details.
